COMPANY PROFILE

Founded on the principles of chemical innovation and operational integrity, DBX International has grown from a specialized research facility into a global leader in liquid detergent distribution.

Our journey has been defined by a relentless pursuit of quality. We realized early on that the global market needed more than just products; it needed reliable, high-performance chemical solutions backed by rigorous testing and transparent logistics. Today, we bridge the gap between advanced manufacturing and global consumer needs.

LAUNDRY LIQUID DETERGENT

Laundry Liquid Detergent is a high-performance cleaning solution specially formulated to remove tough stains, dirt, and odors from clothes while being gentle on fabrics. Suitable for both hand wash and machine wash (top load & front load). Effective in hard and soft water conditions.

Suitable for: Cotton, Synthetic, Blended & Delicate Fabrics

Available Pack Size: 250 ml Bottle | 500 ml Bottle | 1 L Bottle | 2 L Bottle | 5 L Jar | 20 L Can | 50 L / 200 L Drum (Bulk)

DISHWASH LIQUID

Dishwash Liquid Detergent is a high-performance cleaning solution specially formulated to remove tough grease, oil, and food residues from utensils. The advanced formula provides rich foam, fast rinsing, and sparkling shine while being gentle on hands.

Suitable for: Stainless steel, Glassware, Ceramic, Plastic utensils, Cookware

Available Pack Size: 250 ml Bottle | 500 ml Bottle | 1 L Bottle | 2 L Bottle | 5 L Jar | 20 L Can | 50 L / 200 L Drum (Bulk)

HAND WASH LIQUID

Hand Wash Liquid is a gentle yet effective cleansing solution formulated to remove dirt, germs, and impurities from hands while maintaining skin moisture. It produces rich foam and leaves hands feeling soft, clean, and refreshed.

Suitable for: Home use, Offices, Hospitals, Hotels, Commercial spaces

Available Pack Size: 250 ml Bottle | 500 ml Bottle | 1 L Bottle | 2 L Bottle | 5 L Jar | 20 L Can | 50 L / 200 L Drum (Bulk)

FLOOR CLEANER LIQUID

Floor Cleaner Liquid is a powerful cleaning solution specially formulated to remove dirt, stains, grease, and germs from floors and hard surfaces. It provides deep cleaning while leaving a pleasant and long-lasting fragrance.

Suitable for: Tiles & ceramic floors, Marble & granite, Vitrified tiles, Wooden floors (mild variant), Office & commercial spaces

Available Pack Size: 250 ml Bottle | 500 ml Bottle | 1 L Bottle | 2 L Bottle | 5 L Jar | 20 L Can | 50 L / 200 L Drum (Bulk)

TOILET CLEANER LIQUID

Toilet Cleaner Liquid is a powerful acidic cleaning solution specially formulated to remove tough stains, limescale, rust marks, and harmful bacteria from toilet bowls and urinals. Its thick formula clings to surfaces for deep cleaning and long-lasting freshness.

Suitable for: Toilet bowls, Urinals, Ceramic surfaces, Bathroom tiles (as per grade)

Available Pack Size: 250 ml Bottle | 500 ml Bottle | 1 L Bottle | 2 L Bottle | 5 L Jar | 20 L Can | 50 L / 200 L Drum (Bulk)

INDUSTRIAL LIQUID DETERGENT

Industrial Liquid Detergent is a heavy-duty cleaning solution specially formulated for commercial and industrial laundry applications. It effectively removes tough oil, grease, chemical residues, and heavy soil from fabrics while maintaining fabric strength.

Suitable for: Industrial laundries, Hospitals, Hotels, Garment processing units, Factories & workshops

Available Pack Size: 5 L Jar | 20 L Can | 25 L Can | 50 L / 200 L Drum | 1000 L IBC Tank

SPECIALTY LIQUID DETERGENTS

Specialty Liquid Detergents are advanced fabric care solutions specially formulated for specific washing needs such as baby clothes, woolens, silks, dark fabrics, sportswear, antibacterial wash, and front-load machines. These detergents provide superior cleaning while protecting fabric texture, color, and softness.

Available Variants: Wool & Silk Wash | Baby Garment Wash | Dark Color Protect | Antibacterial Fabric Wash | Sportswear Active Wash | Front Load Low Foam Detergent

Available Pack Size: 250 ml Bottle | 500 ml Bottle | 1 L Bottle | 2 L Bottle | 5 L Jar | 20 L Can | 50 L / 200 L Drum (Bulk)

DETERGENT POWDER

Detergent Powder is a high-performance laundry cleaning solution formulated to remove tough stains, dirt, grease, and odors from clothes. It delivers deep cleaning, brightens fabrics, and leaves a long-lasting fresh fragrance.

Suitable for: Top load washing machines, Front load machines (low foam variant), Cotton, synthetic & blended fabrics

Available Pack Size: 200 gm | 500 gm | 1 kg | 2 kg | 5 kg | 10 kg | 25 kg (Bulk Bag)

DETERGENT CAKE

Detergent Cake is a premium quality laundry bar specially developed for removing tough dirt, grease, oil, and stains from clothes. It produces rich foam, ensures deep fabric cleaning, and helps maintain brightness and freshness.

Suitable for: Cotton & synthetic fabrics, Daily wear garments, Heavy-duty washing

Available Pack Size: 100 gm | 150 gm | 200 gm | 250 gm | 500 gm

OUR MISSION

To provide sustainable, high-quality liquid detergent solutions that empower global brands through scientific excellence and ethical manufacturing practices.

OUR VISION

To be the world's most trusted partner in chemical export and logistics innovation, setting the global standard for product purity and supply chain efficiency.

PREMIUM QUALITY CLEANING & DETERGENT RAW MATERIALS

We specialize in the bulk supply of high-quality raw materials used in the manufacturing of cleaning and detergent products. Our materials meet industrial and export standards and are suitable for large-scale production.

With strong sourcing networks and consistent supply capacity, we ensure uninterrupted availability throughout the year.

Products we offer:

- LABSA (Linear Alkyl Benzene Sulphonic Acid)
- SLES (Sodium Lauryl Ether Sulfate)
- Soda Ash (Light & Dense)
- Caustic Soda Flakes / Liquid
